¹ Makris, C. 2003. *Butterflies of Cyprus*. Bank of Cyprus Cultural Foundation, Nicosia.

² Eastern Pale Clouded Yellow (*Colias erate*) removed from Cyprus list. Ref: John, E., Coutsis, J.G. & Makris, C. 2006. A review of records for *Colias erate* Esper, [1805] (Lep.: Papilionoidea Pieridae) in Cyprus: were they all yellow forms of *Colias croceus* (Geoffroy, 1785)? *Entomologist's Gaz.* 57: 3-12.

³ Great Steppe Grayling (*Chazara persephone*) added to the Cyprus list. Ref: John, E., Haines, D. H. & Haines, H. M., xxxx. *Chazara persephone* (Hübner, 1803) (Lepidoptera: Nymphalidae, Satyrinae) - has the species retained a secretive presence in Cyprus for one hundred years? *Entomologist's Gazette* **In press**.
